Dear Student:

Health Services would like to welcome you to Regis College. Enclosed you will find health forms that are to be filled out by you and your health care provider. If immunization requirements have been completed, please return all of your completed forms to Health Services by July 15th. If additional vaccines are needed to meet the state requirements, please return all other completed forms by July 15th. Failure to do so could result in your inability to move into campus housing or register for classes. If your completed medical report and immunization records are not in by the end of the first week of classes a “hold” will be placed on your registration which will impact your ability to add/drop courses, register for next semester and view/receive your grades. In addition, you will be charged an administrative late fee of $25. Students are responsible for complying with this deadline without exception.

Massachusetts State law requires that all students submit a medical record. The following information must be submitted:

- Past medical history
- Physical examination (recommended within the past 12 months)
- Immunization information (to include one Meningitis Vaccine within the past 5 years OR completion of enclosed waiver for all resident students)
- Tuberculosis Questionnaire
- Signature of student, if 18 years of age, giving permission for routine and emergency treatment
- Signature of parent, if student is under 18 years of age, giving permission for routine and emergency treatment
- Health Insurance information along with a photocopy of the front and back of insurance card

Your health information is confidential and protected by State and Federal Laws. The information you submit is maintained by Regis College Health Services in the strictest confidence. HIPAA regulations prevent us from releasing or discussing any health information without written consent of the patient, except when there is imminent danger to you or to others, or when required by law.

Massachusetts’s law requires all students to participate in a qualifying insurance plan. Health insurance information will be sent separately.

We are pleased that you have selected Regis College and welcome you to campus. If you have any questions or concerns, please call Health Services at (781) 768-7290.

Yours truly,

Dianna Jones, FNP
Director of Health Services
