Congratulations on your acceptance into a Regis College graduate program! On behalf of the Graduate Student Government, we would like to welcome you to the school and inform you of our efforts around campus and how you can be a part of it!

The Graduate Student Government is a group of five elected students: a President, Vice President, Treasurer, Secretary, and Parliamentarian, who as a collective group are responsible for representing the graduate class – almost 50% of the entire Regis student population!

Our mission is to have graduate students become more engaged members of the Regis community through changes geared to our age and interests. We are able to do this largely through our open meetings dedicated to providing a forum for students to voice their concerns, opinions, and ideas. We are then able to allocate resources, plan events, and set goals that will guide student life and improve your graduate experience at Regis College.

Our Current Executive Board Members are:

**President:** Alexa Nicholls, 3rd Year Accelerated BSN/MSN Program, is responsible for representing any needs, concerns, or priorities of the entire graduate student body and meeting with appropriate person(s) to enact new practices and policies in the Regis community as desired by and created for the graduate student body.

**Vice President:** Alexandra Rogers, 3rd Year Accelerated BSN/MSN Program, assists the President in fulfillment of their duties and overseeing the organizational and functional aspects of the GSG.

**Treasurer:** Bianca Farro, 1st Year Accelerated BSN/MSN Program, is a member of the Regis College Treasury Committee responsible for all matters pertaining to graduate budget and finances.

**Secretary:** Ben Remillard, Heritage Studies Program, is responsible for the organization’s publicity regarding the meetings and GSG activities including meetings, events, and service opportunities through information outlets (Moodle and Regis webmail).

**Parliamentarian:** Yves Vilton, RCRM Program, serves as a primary liaison between the GSG and the College-wide student senate.

The Graduate Student Government also works in collaboration with the Office of Student Affairs, the Office of Graduate Affairs, and other administrative offices as needed. Evan Maloney, Assistant Director of Graduate Affairs, serves as our faculty advisor.

When you arrive on campus, we invite you to attend meetings, events, and our monthly Graduate Student Coffee breaks. We also encourage you to consider running for an Executive Board position for the 2015-2016 Academic Year (elections will be in September). All meetings and events times are sent via email but please never hesitate to contact one of your Executive Board members!
